Chef Thomas Schneider

At Tommy's Pizzeria I strive on using only the best ingredients and being consistent on every pizza made. When I found out that I was finally able to get my hands on Galbani cheese I was very excited. I have many friends in the World Pizza Champions Team that use Galbani and I have been lucky enough to try it many times. Galbani Professionale Tigrato Shred tastes exactly the way mozzarella should taste. Amazing quality and consistent, every single time!
